Cinco de Mayo --- DAY & CVG celebrate the day!

- A Priority News special edition!

DAY & CVG are celebrating Cinco de Mayo today! Even though it's not nearly as popular in Mexico as Mexican Independence Day, it has become very popular in America. It marks the anniversary of an unexpected Mexican victory over French troops in 1862. In the U.S. the day is a celebration of Mexican heritage and pride, as well as its food and culture.....

.....at Priority, the DAY DC and CVG HR Department celebrated by providing lunch for Associates and Drivers. To add reason to celebrate.....Julie Thomas is marking her “50th” birthday today 5/5/10! It’s your lucky day, Julie – have fun, California Girl!
